

ALBA

2023

RED WINE • CÔTES CATALANES

Carignan 100%

750 ml | ALC 13% vol.

Total Acidity: 3.11 g/l

pH: 3.62

Alba (Catalan for "dawn") is a limited edition crafted through whole-cluster fermentation of perfectly ripe Carignan grapes. By avoiding crushing and pressing, fermentation takes place within the heart of the fruit, allowing us to fully capture the aromatic intensity and freshness of Vingrau's Carignan. It represents our first step in mastering this delicate method, at the dawn of new horizons in our pursuit to uncover the potential of Vingrau's remarkable terroir. Following the success of the 2022 vintage, we were able to produce another small batch in 2023.

NOSE

A precise nose with hints of sweet spices, cherry eau-de-vie, and blueberries.

PALATE

On the palate, impressively aromatic with a graceful balance, culminating in liquorice notes.

NOTES

Beautiful length and intensity in a subtle and structured wine, which calls for a brief bottle ageing.
